Apply online at: www.wiltshire.gov.uk

If you have applied online, you do not need to complete a paper form.

If your child has a statement of special educational need, you do not need to complete this application form. Wiltshire Council's Central SEN Services are responsible for securing a school place for your child.

Completing the attached application form

This form must be completed if you live in Wiltshire and you wish to apply for a reception place or for the year of entry at junior school (year three) to start in September 2012. If you live outside Wiltshire and wish to apply for a Wiltshire school, please contact your local authority.

Both sides of the attached application must be completed fully and carefully. The information you provide will be used to determine your child's priority for a place at your preferred school(s). Failure to complete the form correctly, or to provide all of the relevant information, may result in your child being unsuccessful in securing a place at your preferred school(s).

The following information should help you to complete the application form, but should you have any additional queries, please contact Customer Services on 01225 713010.

1. Only one person's name (applicant) should be given in this section and this must be completed fully, partial names or initials are **not** acceptable.
2. Details of the applicant's relationship to the child should be given, eg. mother or father.
3. Please indicate if you are a family of service personnel or crown service and moving into area. (A posting notice will be required.)
4. The current address is the address where the **child** will normally be living at the deadline of noon, **15 January 2012**. Where these address details are not the same as the applicant's, details of residency arrangements should be attached to the application. It is essential that this information is accurate as it may affect your child's priority for a school place. In cases where schools are oversubscribed (more applications are received than places are available) we may ask you to provide proof of this address. Failure to do so could result in any offer of a school place being withdrawn.
If you are unsure of where you will be living at the time of the deadline, it is important that you submit an application anyway. You can apply from any address, even if temporary, but this must be where your child is resident.
5. If you are planning to move house, you should provide your new address details, if possible. If you are unsure of the address, provide as much information as you can. In some cases a future postal address can be considered as though it was the permanent address at the deadline for admission purposes. Proof of the move date and the new address details will be required as soon as the move takes place. A posting notice from a member of the armed services may be required.
6. Insert a move date if known.
7. You may name up to three preferred schools including your catchment area school, on the application, but you need not name more than one. **The schools named may be inside or outside Wiltshire**. All schools produce a prospectus and the School Admissions Team produce a booklet with general information about each school which may help you in your selection. Details of your reason for preferring each school can be given in the appropriate box, however, you do not need to give any details if you do not wish to do so. Please provide full postal addresses for any of your preferred schools that are not in Wiltshire.
8. Many faith schools prioritise applications based upon the faith status of the child. Please complete this box if you are applying on faith grounds. You must also contact the

schools directly as many will require additional information in order to process your child's application. Failure to provide this information may result in your child not securing a place at one of your preferred school(s).

9. Please indicate whether a Local Authority is responsible for your child's care.
10. Consideration can only be given where the special medical needs are such that only specific school(s) can accommodate the child and, if the child were not able to attend the preferred school(s), they would be disadvantaged. Documentary proof must be supplied with the application, such as a letter from your child's GP or specialist.
11. Many schools will give a higher priority to a child who has a brother or sister already attending. Please provide the full name, date of birth and school details of any other children attending your **preferred school(s)**.
12. **You must read and follow up this information as this may be highly relevant to your child's application.**
13. The applicant must sign the form in order to confirm that the information provided is correct and that the application may be processed. If you fail to sign the application, we do not have the authority to pass your child's information to any of your preferred schools and we will be unable to process your child's application.

Returning the application form

Completed application forms must be returned in time to be with the **School Admissions Team, Wiltshire Council, County Hall, Trowbridge, Wiltshire, BA14 8JN by 12 noon, 15 January 2012**. Applications received after this time and date will not be considered until after the notification date.

Decisions

Notification of the outcome of all applications received before the deadline will be posted on **20 April 2012**. **Decisions will not be given over the telephone**. Any offer made may be withdrawn if your application is found to be fraudulent or deliberately misleading.

An offer will be made at one school based upon the admissions criteria of the school and as far as possible your preferences. Where it is not possible to offer a place at one of your preferred schools, and you live in Wiltshire, one will be allocated by Wiltshire Council. Other than in exceptional circumstances, as determined by the Director for Children and Education, the allocated place will be at the designated school for your child's home address or a suitable alternative school.
