# Your bookable Salisbury Rural Taxi Buzz

## About the service

The Salisbury Rural Connect2 Taxi-Buzz is a completely flexible transport solution, available to all the towns and villages shown on the maps, on the opposite page, Monday to Saturday.

Connect2 has fixed arrival and departure times at Amesbury and Salisbury like a normal bus service, **but remember, the service will only run if customers have booked their journey in advance.**

As well as travelling to or from the main destinations in your service area you can also travel between other villages in the same area.

The Connect2 taxi is fully wheelchair accessible and will be able to carry up to seven seated people, or five seated people if a wheelchair user has booked onto the service. Please note that only one wheelchair user can be carried on each advertised journey.

## How to book

Provide the booking centre with the following information:

- **Date and time of travel required.**
- **Your pick up address.**
- **Do you require a return journey?**
- **Do you require a connecting bus service at Amesbury or Salisbury?**
- **Are you a wheelchair user, or do you have a mobility or vision impairment?**
- **A contact telephone number.**

The booking centre will then confirm your journey with you. Remember, Connect2 journeys before 1200 should be booked by 1600 the day **before** you wish to travel, journeys running after 1200 can be booked a minimum of two hours before that time on the same day of travel. For travel on Monday, please book your journey by 1800 on the Saturday before you travel.
