

'Sport for all' fund application form

Criteria - The fund has been developed to encourage and support the development of participation projects that particularly target new audiences, by providing high quality coaching sessions over an eight week period.

The fund is for clubs and community groups delivering new projects that engage one or more of the priority groups listed below:

- Women and girls
- Participants with a disability
- Estate based delivery within priority wards
- Black minority ethnic communities
- People aged 50+
