Oversubscription Criteria

1. Looked After Children/Previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

2. Vulnerable children

- Children from families registered with the National Asylum Support Service.
- Children or families with a severe medical condition (where written evidence is available from a senior medical officer or the family's general practitioner or specialist showing it would be detrimental to the child or family's health not to admit him or her to the school) or children with particular educational needs where written evidence is available from Central SEN Services to show that it would be detrimental to the child not to be admitted to the school. (For purposes

of the above 'family' is defined as those living at the home address at the time of application and also living at the home address on a permanent basis.)

3. Siblings

A sibling refers to brother or sister, half brother or sister, who shares one natural parent, legally adopted or fostered brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, who is living in the same family unit at the same address.

A child is considered under this criterion if:

a sibling is on the roll of the preferred school as at the deadline date (providing that the sibling is not in their final year at the school)

4. In Area Children from the designated area or shared area

Children resident within the designated area or shared area who do not qualify under one of the criteria above.

5. Other Children – distance from Ivy Lane School

Children not satisfying a higher criterion and living closest to Ivy Lane School by straight line measurement between the Ordnance Survey address point and the child's home. Those with the least distance will be given priority. In the event that two or more distances are identical, the allocation of places will be decided by casting lots. This will be carried out by the Head of School. The address that determines the distance is the place where he or she is ordinarily resident at the deadline for applications.
