Oversubscription Criteria

a. Looked After Children/previously Looked After Children

Definition: A 'Looked After Child' or a child who was previously Looked After but immediately after being Looked After became subject to an Adoption, Child Arrangements, or Special Guardianship Order 71. A Looked After child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22 (1) of the Children Act 1989).

b. Vulnerable Children

Definition: Children from families registered with the National Asylum Support Service; Children or families with a serious medical, physical or psychological condition where written evidence is provided at the time of application from a senior clinical medical officer, general practitioner or specialist showing that it would be detrimental to the child or family not to be admitted to the School.

For the purpose of the above criteria the word 'family'/'families' is determined as living at the same address at the time of the application and also living at the same address on a permanent basis. Proof will be required and must be submitted by the deadline date.

c. Designated area siblings and shared area siblings

A child is considered under this criterion if a sibling is attending the School as at the deadline date and will continue to attend the School at the time of entry, and where the child lives within the designated area or shared area at the same address as the sibling. This includes step siblings, foster siblings, adopted siblings and other children living permanently at the same address.

d. Other children from the designated area or shared area

Children resident within the designated area or shared area who do not qualify under one of the criteria above.

e. Other Siblings

A child is considered under this criterion if a sibling is attending the School at the deadline date and will continue to attend the School at the time of entry, and where the child lives at

the same address as the sibling. This includes step siblings, foster siblings, adopted siblings and other children living permanently at the same address.

f. Children of staff at the school

A child is considered to fall under this criterion:

i where the member of staff has been employed at the School for two or more years at the time at which the application for admission to School is made, and/or

ii. the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

If applicants wish to be considered under this criterion, then a letter from the Executive Head Teacher, or Head of School, confirming the above applies to the applicant, must be provided at the time of application.

g) Other Children

Children to whom none of the above criteria apply.

Oversubscription Criteria

. Looked after Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22 (1) of the Children Act 1989).

2 Vulnerable Children

Children from families registered with the National Asylum Support Service;

Children or families with a serious medical, physical or psychological condition where written evidence is provided at the time of application* from a senior clinical medical officer and the general practitioner or specialist showing that it would be detrimental to the child or family not to admit to the preferred school.

For the purpose of the above criteria the word 'families' is determined as living at the same address at the time of application and also living at the same address on a permanent basis. Proof will be required.

*As Paxcroft is its own Admissions Authority, we would strongly advise discussing directly with us (in confidence) any medical conditions within the family that may meet this criteria prior to completing the County Admissions Form. This may help us correctly identify your child as a category 2 child.

3. Designated Area Siblings

Children that live within the designated area of the school who have a sibling attending the school at the deadline date and will continue to attend the school at the time of entry and where the child lives within the designated area at the same address as the sibling. Step, half and foster siblings are also included in this category.

4. Other Children from the Designated Area

Children that live in the designated area of the school who do not qualify under one of the criterion above.

5. Other Siblings

Children that live outside of the designated area who have a sibling who is attending the school at the deadline date and will continue to attend the school at the time of entry, and where the child lives at the same address as the sibling. Step, half and foster siblings are included in this category.

6. Children of staff at the school

A child is considered to fall under this criterion:

a. where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or

b. the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

7. Other Children

Other children living outside the designated area to whom none of the above criteria apply.
