Guidance notes

Please read these notes before completing your application form.

Who can apply for the Wiltshire Bus Pass?
A person who is a permanent resident of Wiltshire (pay Council Tax to Wiltshire Council) and has reached the qualifying age or qualifies because of their disability can apply. People who are living temporarily in Wiltshire do not qualify for a concessionary bus pass. You can apply for a bus pass only at your primary place of residence if you have more than one.

What is my qualifying age?
If you were born on or before 5 April 1950 your qualifying age is 60.
If you were born after 5 April 1950 the qualifying age for concessionary travel for women will be state pension age and for men it will be the state pensionable age of a woman born on the same day. The state pensionable age for men and women will have harmonised at 65 by 2020. Beyond 2020 the age of eligibility for concessionary travel will continue to increase in line with any future changes to the state pension age.

To see at what age you will be entitled to a bus pass, you can check with the state pension age calculator on the web page: www.gov.uk/calculate-state-pension
Alternatively, contact us and we will check for you. When eligibility is based on age, we will not accept new application forms until two weeks before the date of eligibility. Applications that are sent too early will be returned.

Do I qualify because of my disability?
You qualify if you are within one of the seven categories listed in the Transport Act 2000, as shown below:

- Blind or partially sighted
- Profoundly or severely deaf
- Without speech
- Has a disability, or has suffered an injury, that has a substantial or long-term effect on the ability to walk
- Does not have arms or has long-term loss of use of both arms
- Has a significant learning disability, that is, a state of arrested or incomplete development of mind which includes significant impairment of intelligence and social functioning
- Would, if they applied for the grant of a licence to drive a motor vehicle under part 3 of the Road Traffic Act 1988, have their application refused on the grounds of medical fitness. Examples of those who are currently barred are people with epilepsy, severe mental disorder and liability to sudden attacks of giddiness or fainting. This does not include those who have had their licence refused/revoked through misuse of alcohol or drugs.

The disability should be permanent or have lasted at least 12 months, be likely to last 12 months, or be likely to recur, and should have a substantial effect on the person’s ability to carry out normal day-to-day activities.

Disabled person’s companion pass
If, in the opinion of the council, your disability makes you unable to use public bus services without assistance, the council will issue a Wiltshire Bus Pass Plus Companion that enables the applicant and a helper to travel free within the following areas: Wiltshire, Swindon, Bath and North East Somerset, Bristol, Dorset (not including Bournemouth and Poole), Hampshire and South Gloucestershire.

Taxi vouchers
As an alternative to the Wiltshire Bus Pass, taxi vouchers are available to those who use a wheelchair for most of their day-to-day activities and expect this to continue permanently.

By signing the ‘declaration for taxi voucher applicants only’ on side one, you will give up your right to a concessionary bus pass until the following 31 March.

The value of the taxi vouchers issued for a full year is £40.

The vouchers are posted to you for use from 1 April each year.

On first application a reduced value of vouchers may be issued for the part year.
What must I include with my application form?

1. All applicants must include a recent colour passport style photograph with their name and postcode clearly written on the back in block capitals.

   - Passport
   - Birth certificate
   - UK driving licence. (A driving licence can be used as proof of age or proof of residence, not both.)

Please send a copy of your ‘Reason for Decision’ letter from the Service Personnel and Veterans Agency so that we can assess your eligibility.

5. If you are unable to provide evidence as requested we may consider an explanation from a doctor or consultant of how you qualify under the seven categories mentioned previously. This must be on the relevant official headed paper and signed by the Doctor or Consultant in support of your application. Please contact the concessionary bus pass team to discuss what is appropriate before obtaining such a letter.

If you are unable to provide evidence of the above we may consider a letter of explanation from a consultant or doctor of why you are unable to travel on the bus unaided. This must be on official headed paper dated signed by the consultant or doctor in support of your application. Please contact the Wiltshire concessionary bus pass team to discuss what is appropriate before obtaining such a letter.

6. If you are applying for taxi vouchers you must sign the declaration headed ‘for taxi voucher applicants only’.

8. From 01 January 2020, there is a fee of £12 to replace a lost or damaged bus pass. Please contact Wiltshire Council for more information.
