  - Food and drinks cartons
  - Clean food tins
  - Drinks cans
  - Empty aerosols
  - Clean foil and trays
  - Metal biscuit tins

### ✗ NO THANKS

- Black plastic pots, tubs and trays. Plastics are sorted using laser technology that can identify different plastic types. Black plastics are difficult for the equipment to detect so these cannot be separated for recycling from other materials managed at the facility, so are rejected
- Film lids from pots, tubs and trays
- Cling film
- Plastic bags, e.g. carrier bags, sandwich bags, freezer bags, bin liners
- Crisp/sweet packets
- Pet food pouches
- Disposable drink cups and plastic straws
- Plastic packaging and polystyrene
- Plant pots (including black) - these can be taken to most household recycling centres or returned to garden centres for reuse
- Rigid plastic e.g. toys, garden furniture
- Boxes with plastic windows, please remove the window first
- Foil-lined cardboard tubes (e.g. Pringles tubes)
- Dirty cans or tins – please rinse all recyclables first
- Batteries
- Scrap metal
- Books
