

# PETITIONS IN LIBRARIES

## Policy Statement

---

1. As a general rule, Wiltshire Libraries do not accept petitions on library premises. It is not possible for us to make value judgments on individual requests, however worthy the cause may be.
2. The only exception to this will be if the Petitioner can provide evidence that a Council minute in support of the issue exists. A copy of this minute and details of the petition will then be passed to the Assistant Director, Libraries, Heritage and Arts, for a final decision.
