When to use this form
This environmental permitting regime is known as and referred to as Local Authority Pollution Prevention and Control (‘LAPPC’). Installations permitted under this regime are known as Part ‘B’ installations. Use this form if you already have a ‘Part B’ permit and wish to transfer the permit in whole or in part to another person (‘the proposed transferee’). You may apply to transfer the whole or part of your permit. Under the Environmental Permitting (England and Wales) Regulations 2010 (“the EP Regulations”), both the operator and the proposed transferee must jointly apply to have the permit transferred.

Before you start to fill in this form
You are strongly advised to read relevant parts of the Defra general guidance manual issued for LA-IPPC and LAPPC, republished in 2008 and available at http://www.defra.gov.uk/environment/quality/pollution/ppc/localauth/pubs/guidance/manuals.htm This contains a list of other documents you may need to refer to when you are preparing your application for the transfer of the permit, and explains some of the technical terms used. You will also need to read the relevant Process Guidance note. The EP Regulations can be obtained from The Office of Public Sector Information, or viewed on their website at http://www.opsi.gov.uk/legislation/about_legislation.htm.

Which parts of the form to fill in
You should fill in as much of this form as possible. The appropriate fee must be enclosed with the application for transfer to enable it to be processed further. When complete return to:

Wiltshire Council, Public Protection, County Hall Bythesea Road
Trowbridge Wiltshire BA14 8JN

Tel: 0300 456 0107   email: publicprotectionwest@wiltshire.gov.uk

Other documents you may need to submit
You must submit your existing permit with this form. There are number of other documents you may need to send us with this application to transfer your permit. Each time a request for a document is made in the form you will need to record a document reference number for the document or documents that you are submitting in the space provided on the form for this purpose. Please also mark the document(s) clearly with your permit reference number and the name of the installation.
Using continuation sheets
In the case of the questions on the form itself, please use a continuation sheet if
you need extra space; but please indicate clearly on the form that you have done
so by stating a document reference number for that continuation sheet. Please
also mark the continuation sheet itself clearly with the information referred to
above.

Copies - not relevant for e-applications
You do not need to send multiple copies of this form, consultation is not required to
transfer a permit.

If you need help and advice
We have made the form as straightforward as possible, but please get in touch with
us at the local authority address given above if you need any advice on how to set
