**Summary of admission criteria**

Where the school is oversubscribed, places are allocated to children in order of the ranked criteria listed below:

**a. The definition of Looked After Children / Previously Looked After Children is as follows:**

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order<sup>71</sup>. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

**b. Vulnerable Children**

Children from families registered with the National Asylum Support Service; Children or families with a serious medical, physical or psychological condition where written evidence is provided at the time of application from a senior clinical medical officer, general practitioner or specialist showing that it would be detrimental to the child or family not to admit to the preferred school.

Children with particular educational needs where written evidence is available from health or educational professionals to show that it would be detrimental to the child not to be admitted to the school;

For the purpose of the above criteria the word 'families' is determined as living at the same address at the time of the application and also living at the same address on a permanent basis. Proof will be required and must be submitted by the deadline date.

**c. Designated area siblings and shared area siblings**

A child is considered under this criterion if a sibling is attending the school as at the deadline date and will continue to attend the school at the time of entry, and where the child lives within the designated area or shared area at the same address as the sibling. The term ‘Sibling’ includes Step, half and fostered/adopted and are included in this category.

**d. Other children for the designated area or shared area**

Children resident within the designated area or shared area who do not qualify under one of the criteria above.

**e. Other Siblings (out of catchment)**

A child is considered under this criterion if a sibling is attending the school at the deadline date and will continue to attend the school at the time of entry, and where the child lives at the same address as the sibling. Step, half and foster siblings are included in this category.

**f. Children of staff at the school**

A child is considered to fall under this criterion

- i. where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
- ii. the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

If applicants wish to be considered under this criterion then a letter from the Headteacher confirming the above applies to the applicant must be provided at the time of application to the LA and the governors of Wansdyke School.

**g. Other Children**

Children to whom none of the above criteria apply.

**Tie Break**

If the school is oversubscribed within any category above, the straight-line distance from the child’s home address to the school will be used as the determining factor. Distances will be measured according to the Ordnance Survey eastings and northings for the child’s home address and the school. Those with the least distance will be given priority.

If two or more children with the same priority for admission live an indistinguishable distance from the preferred school, but cannot all be admitted, then the available places will be decided by means of casting lots (random application) by the Chair of governors.

### Summary of admission criteria

Children with an Educational, Health & Care Plan which names Holy Trinity CE Primary Academy will be allocated places, after which places are allocated according to an agreed set of criteria.

Where more applications have been received than places available or where to admit would conflict with the school fulfilling class size legislation, the following priorities shall apply in order:

1. Looked after children or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
2. Children of staff as determined by section 12.
3. Siblings living within the school's designated area. (See Glossary Paragraph 15 for definition of sibling)
4. Other children resident within the designated area who do not qualify under one of the criteria above.
5. Siblings living outside the school's designated area. (See Glossary Paragraph 15 for definition of sibling)
6. Children living outside the designated area who meet the faith criterion see 15.
7. Other children - Children resident outside the designated area who do not qualify under one of the criteria above.

If the Academy is oversubscribed within any category above, the straight-line distance from the child's home address to the school will be used as the determining factor. Distances will be measured according to the Ordnance Survey eastings and northings for the child's home address and the school. Those living closer to the school will be given priority.

If two or more children with the same priority for admission, live an indistinguishable distance from the school, but cannot all be admitted, then the available places will be decided by the casting of lots by someone independent of the school or the Local Authority.

**Summary of admissions criteria**

Where more applications have been received than there are places available within the required year group, the following priorities shall apply in order:

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. For admission purposes, a looked after child is a child who, at the time of application, is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (section 22(1) of the Children Act 1989 applies).
2. Vulnerable children, namely children of families with confirmed refugee status, or children with a medical condition or disability, or children where either parent has a disability which would make travel to a different school difficult. This must be confirmed in writing by the Local Authority within whose area the child lives.

In the case of children with a medical condition or disability written evidence must be made available from a senior clinical medical officer and/or the child's general practitioner or specialist showing that it would be detrimental to the child's health not to admit him/her to the school rather than any other. This information must accompany the initial application.

(A recognised church or religious group is one that is a member of Churches Together in Britain and Ireland (see [ctbi.org.uk](http://ctbi.org.uk)).
7. Children living outside catchment area (see section 9.8) not satisfying a higher criterion

### **Summary of admission criteria**

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit.

- i Looked after children or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order . A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
- ii Vulnerable children, namely children of families with confirmed refugee status, children where either parent has a disability which would make travel to a different school difficult, or children with a medical condition or disability. This must be confirmed in writing by the Local Authority within whose area the child lives.

In the case of children with a medical condition or disability written evidence must be made available from a senior clinical medical officer and/or the child's general practitioner or specialist showing that it would be detrimental to the child's health not to admit him/her to the school rather than any other. This information must accompany the initial application.

- iii Where the child lives within the Parishes covered by the school's designated area, as above.
  - a. Siblings. A child is considered in this category if an older sibling is attending the school at the deadline date, and will continue to do so when the sibling is admitted, and where the child lives at the same address as the older sibling. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.
  - b. Practising Christians. Those children from outside the designated area who are regular (at least once per month at a church for the 12 months prior to application) practising Christians, of whatever denomination, at a recognised church or religious group. (A recognised church or religious group is one that is a member of Churches Together in Britain and Ireland (see [ctbi.org.uk](http://ctbi.org.uk)).
  - c. Any other children within the designated catchment area.
- iv Children living outside the designated area.
  - a. Siblings. (See above for explanation)
  - b. Practising Christians. See above
- v Any other children living outside the designated area.

If the school is over-subscribed within any category above, then the shortest straight-line distance from the child's home address to the school will be used as the determining factor. Distances will be measured accordingly to the Ordnance Survey eastings and northings for a child's home address and the school.

If two or more children with the same priority for admission live an indistinguishable distance from the preferred school but cannot all be admitted, then the available places will be decided by means of casting lots by someone independent of the school or the Local Authority.

#### Summary of admission criteria

Where a school is oversubscribed, places are allocated to children in order of the ranked criteria listed below:

#### a. Looked After Children/Previously Looked After Children

The definition of Looked After Children – A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order<sup>71</sup>. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

**b. Vulnerable Children**

Children from families registered with the National Asylum Support Service; Children or families with a serious medical, physical or psychological condition where written evidence is provided at the time of application from a senior clinical medical officer, general practitioner or specialist showing that it would be detrimental to the child or family not to admit to the preferred school.

For the purpose of the above criteria the word 'families' is determined as living at the same address at the time of the application and also living at the same address on a permanent basis. Proof will be required and must be submitted by the deadline date.

**c. Linked Infant School (this criterion applies to infant-to-junior transfer applications only)**

Children who are pupils attending year 2 at the linked infant school as at the deadline date, irrespective of the status of the infant school, i.e. F, A, C or VC.

**d. Designate area siblings and shared area siblings**

A child is considered under this criterion if a sibling is attending the school (or the linked in junior school in the case of applications to an infants' school) as at the deadline date and will continue to attend the school at the time of entry, and where the child lives within the designated area or shared area at the same address as the sibling. Step, half and foster siblings are included in this category.

**e. Other children for the designated area or shared area**

Children resident within the designated area or shared area who do not qualify under one of the criteria above.

**f. Other Siblings**

A child is considered under this criterion if a sibling is attending the school (or the linked in junior school in the case of applications to an infants' school) at the deadline date and will continue to attend the school at the time of entry, and where the child lives at the same address as the sibling. Step, half and foster siblings are included in this category.

**g. Children of staff at the school**

A child is considered to fall under this criterion

- i. where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
- ii. the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

If applicants wish to be considered under this criterion then a letter from the Headteacher confirming the above applies to the applicant must be provided at the time of application.

## **h. Other Children**

Children to whom none of the above criteria apply.

### **Tie Break**

If the school is oversubscribed within any category above, the straight-line distance from the child's home address to the school will be used as the determining factor. Distances will be measured according to the Ordnance Survey eastings and northings for the child's home address and the school. Those living closer to the school will be given priority.

If two or more children with the same priority for admission live an indistinguishable distance from the preferred school, but cannot all be admitted, then the available places will be decided by means of casting lots (random application).

### **Summary of admission criteria**

Priority 1. A child in the care of a LA or provided with accommodation by that authority as defined by Section 22 of the Children Act 1989

Previously looked after children (see definition below) have the same admission priority as 'looked after children' (also known as children in care), in accordance with section 22 of the Children Act 1989.

'Previously looked after' children are defined as those who immediately after being in care became subject to an adoption order, child arrangements order or special guardianship order.

Required evidence for a 'previously looked after' child:

- a special guardianship order appointing one or more individuals to be a child's special guardian(s), under section 14A of the Children Act 1989
- a child arrangement order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.
- an adoption order under section 46 of the Adoption and Children act 2002 or Section 12 of the 1976 Adoption Act\*.

**Priority 2**

Any child who has a sibling attending a WHF school at the same time as he or she is due to be admitted (please complete Appendix 1 of this document)

**Priority 3**

Any child of a staff member either employed at any WHF school for at least two years, or who will meet a clear skills shortage;

**Priority 4**

Any child living within the school's catchment area (details available from the School and LA);

**Priority 5**

Any child not living in the school's catchment area.

**Decider**

In all cases where the school is oversubscribed, distance measured as a straight-line from the centre point of the rooftop of the home address to the centre point of the rooftop of the school will be used to prioritise applications within individual oversubscription criteria. If the direct distance measurement does not separate applicants, places will be offered by random allocation. The random process will be repeated and any previous random order will be discarded.
