

As part of the Local Development Framework for the area, Wiltshire Council is preparing a Gypsy and Traveller Site Allocations Development Plan Document (DPD). The document will make provision for sufficient additional pitches for Gypsies & Travellers and Travelling Showpeople in Wiltshire as identified in the South West Regional Spatial Strategy.

Wiltshire Council is undertaking preliminary work to identify potential sites that may be available for future use by the Travelling communities. If you want to promote a site or sites for potential development then please complete and return this form and a site location plan by **5pm Friday 6 June 2010** to:
