

**North Wiltshire District Council**  
**Planning and Compulsory Purchase Act 2004**  
**The Town and Country Planning (Local Development) (England)**  
**Regulations 2004**  
**Core Strategy Second Issues and Options Consultation**

The *Core Strategy* Development Plan Document is an important document within the Local Development Framework. It will establish the overall context for future growth in North Wiltshire and will set out a *Vision* for the area over the next twenty years. It will determine where your family and friends are likely to live, work and play by setting out where development can and cannot take place. We hope that the Core Strategy will be based on the communities' real aspirations for North Wiltshire - [your views are therefore important to us](#).

This document considers the results of the previous consultation completed in January 2006, and then provides more details on the *Issues* that affect the District and the *Options* that may be available to deal with them.

The consultation period for this Second Core Strategy Issues and Options document runs from **18<sup>th</sup> May, 2007** to **13<sup>th</sup> July, 2007**. Responses will be considered and this will result in the publication of the Preferred Options document in **November/December 2007**.

To help you give us your views, a separate response form has been produced. If you require a copy or would like to use an electronic copy of the response form, please visit our website at [www.northwilts.gov.uk/ldf](http://www.northwilts.gov.uk/ldf)

If you have any general questions about the North Wiltshire Local Development Framework or the Core Strategy please contact any member of the Spatial Plans Team by writing to:
