

## **Wiltshire Council - Notice of Proposal to Make a Prescribed Alteration to Exeter House Community Special School to Change the Nature of Special Educational Needs Provision and Increase Pupil Places**

Notice is given in accordance with section 19(1) of the Education and Inspections Act 2006 that Wiltshire Council intends to make a prescribed alteration to Exeter House Community Special School, Somerset Road, Salisbury, SP1 3BL from 01 September 2011.

Wiltshire Council proposes to change the school's designation from Visual Impairment (VI) and Moderate Learning Difficulties (MLD), Severe Learning Difficulties (SLD), Autism, Emotional & Behavioural Difficulties (EBD), delicate, medical, Physical Disability PD), Specific Learning Difficulties (SpLD) and Speech and Language Difficulties to Severe Learning Difficulties (SLD) and Autistic Spectrum Disorders(ASD), and increase the capacity from 96 to 100 pupil places.

It is intended that the school will make provision for the following type(s) of special educational needs provision that would be recognised by the local authority as reserved for SEN pupils: Severe Learning Difficulties (SLD) and Autistic Spectrum Disorder (ASD).

The school is currently making provision for the following special educational needs: Severe Learning Difficulties (SLD) and Autistic Spectrum Disorders (ASD), but has been historically incorrectly designated as providing for the categories listed in paragraph 2 above. No existing pupils therefore require alternative provision as a result of the proposed designation change.

This Notice is an extract from the complete proposal.
