

AWS/Claire Hoare/454/10

1. Why is it suggested that the Central car park is the only retail space available in Salisbury? What about the Woolworths site and the Adams site?

AWS/Claire Hoare/454/5 & 10

1. If the Central Car Park is built on it will mean more traffic congestion and less available parking spaces in a city where traffic problems already exist. The problems will be exacerbated by a much increased population.
