Questions

Please answer the following questions using the boxes overleaf. If you need to make extra copies, please attach them and any additional supporting material to this form.

1. Has the SA been carried out in a satisfactory manner in accordance with published government SA and SEA guidance?
2. Are statements about likely significant effects accurate?
3. Are there other significant effects (positive or negative) that have not been identified/ discussed in the SA Report?
4. The SA assessment tables outline some suggested mitigation or enhancement measures to prevent, reduce or off-set adverse effects. These will be developed during the ongoing preparation of the Core Strategy and SA Report. Do you agree with these? If not, what measures would you propose?
