

Chippenham

What do we already know about Chippenham community area?

In terms of population, Chippenham community area is the largest in Wiltshire. It is dominated by the historic market town of Chippenham. The population has doubled since the 1960s and this growth has been attributed to its proximity to the M4 corridor. Excellent transport links, including an inter-city rail link, have enabled Chippenham to position itself as an excellent location for business.

Community area

Total land area: **15,842 hectares** Population 2007: **43,880** Av. house price 2008: **£216,344**
Chippenham population: **34,820** Housing completions since 2001: **1306** or **145** homes per year
Housing commitments at April 2009: **755** (= five year's supply at past building rates)

Key issues in Chippenham

- Significant affordable housing need.
- High levels of out-commuting.
- Employment sites under threat from out of town housing.
- Retail expenditure is lost to nearby larger centres.
- Lack of a theatre or concert venue.
- Traffic congestion on the A350.
- River is an important underused asset.
- Future of Langley Park.
- Town centre environment.

Key opportunities in Chippenham

- Excellent accessibility.
- Attractive to employers.
- Sites suitable for employment growth.
- Extend town centre to improve variety of retail units and retain spending.
- Several potential regeneration sites enhance the town as an attractive place to live.
- Possible improvements to the road network.
- Retain status as a major employment location.
- Good diversity of 'other' uses in the town centre.

Do you agree with the issues and opportunities that have been identified for Chippenham?

Chippenham

How does Wiltshire 2026 expect Chippenham to change?

Wiltshire 2026 includes these proposals for Chippenham community area

Strategic Town: Chippenham: 3,650 new homes

Market Towns: None

Smaller Towns and Larger Villages: Yatton Keynell

Smaller villages: Christian Malford, Hullavington, Kington St Michael

Anticipated changes in Chippenham

- Growth to maintain status as an important employment location.
- A better range of jobs, retailing, entertainment, leisure activities and community services.
- Additional housing and employment well connected to the town.
- Development to benefit the local community.
- A better mix of housing types to support local jobs and services.
- Retail centre reinforced.
- Enhancement to the natural and built environment.
- A new eastern distributor road is provided.
- Environmental improvements through regeneration in town centre.
- The character of the town is retained.

To begin to deliver these changes the core strategy needs to identify land for development that is well related to the town centre and to promote regeneration opportunities. The core strategy also needs to recognise that the majority of new homes and jobs will be provided on greenfield land. As the Chippenham community area is large, the majority of facilities will continue to be provided in the town itself.

Do you agree with the descriptions of how we expect your community area to change by 2026?

Chippenham

How were development options assessed?

- Sites were identified around strategically significant towns and market towns.
- Any constraints to development were mapped.

Environmental constraints

Flooding as per strategic sites

Minerals as per strategic sites

- Initial options were developed (see next board).
- Discussions took place with infrastructure providers and Wiltshire Council services:

Defence Estates
Rail
Natural England
English Heritage
Archaeology
Highways

Water
Police
Ambulance Service
Telecommunications
Libraries
Landscape

NHS Wiltshire
Fire & Rescue
Education Authority
Leisure
Rights of Way
Ecology

Electricity
Gas
Highways Agency
Environment Agency
Play and open space

- A Sustainability Appraisal (SA) took place. Each option was assessed against a set of sustainable development objectives.

Summary SA assessment for strategic site options in Chippenham

	1. Biodiversity	2. Land and Soil	3. Waste Management	4. Water Resources	5. Flood Risk	6. Air Quality and Pollution	7. Climatic Factors	8. Historic Environment	9. Landscape	10. Housing	11. --	Major adverse effect

Chippenham

The initial options comprised:

Option 1: Land to the north and east of Chippenham

Option 2: Land to the east of Chippenham

Please record your views on these different options.
(Please record your comments on post-it notes and stick them here)

Chippenham

The initial options comprised:

Option 3: Land to the south of Chippenham

Option 4: Land to the north and south of Chippenham

Please record your views on these different options.
(Please record your comments on post-it notes and stick them here)

Chippenham

The preferred option

- Strategic regeneration sites in the centre of town at Middlefield Training Centre and Westinghouse sports ground to include up to 180 homes.
- Additional employment land at Showell Farm and Hunters Moon.
- Urban extension to the north and east of the town.
- North east Chippenham - 800 homes and 5-7 hectares of employment land.
- East of Chippenham - 2650 homes and 6 hectares of employment land.

Preferred option

Opportunities:

- Sustainable extension to help balance housing and employment growth.
- Good access to employment sites.
- Facilitate regeneration of the town centre.
- Mix of homes and jobs close to the station.
- New eastern distributor road to alleviate congestion.
- Well related to existing bus routes.
- Investment in sustainable transport.
- Reduce town centre congestion.
- Green link to improved riverside within town centre.
- Three new primary schools will be required.

Issues to be addressed:

- Potential increase in commuting and air pollution.
- Minimising impact on existing biodiversity.
- Design to minimise any impact on Birds Marsh Wood.
- Phasing of development.
- Need for a new railway bridge?
- Avoiding land liable to flood.
- Electricity power cables through the site.
- Capacity of secondary schools.

Do you agree with the proposed development sites?

What could be done to improve this option?
