Description	Welcoming	Litter and waste management	Dog fouling	Personal Security on Site
Village park with lots of facilities including cricket/football pitch, toilets, small children's enclosed park with lots of toys , zip line, basketball court, table tennis, benches, bins and a. Scooter track through woods. Good welcome sign directing off main road.	9	9	10	9
Village recreational centre with pavilion, football and cricket pitches, basketball hoop, tennis court, facilities for older and younger children and disabled. Lots of benches and access is easy. Big welcome sign.	7	3	10	7
Village park with. Several sections, a small childrens play area not enclosed, football goals, basketball court with several benches and bin, skating park. Outdoor gym.	6	6	9	7

<p>Sports centre and park in village, has well maintained football pitch, tennis court, basketball hoop and court, table tennis and table top football and play area for u7's. Lit and Sealed path with several benches along one edge.</p>	6	9	10	7
<p>Village recreation centre with memorial hall, car park, contained children's play area, small amount of outdoor gym facilities, Astro pitch with football and tennis, field football and cricket facilities. Lots of benches and a good path to play area, bins all clear and no sign of dog fouling or litter.</p>	7	10	10	8
<p>Village park and sports ground with pavilion, football and cricket pitches. Car park, benches and small children's play area that is enclosed. Plus basketball and tennis court.</p>	7	6	10	7
<p>Village park with sports pavilion, football pitch and enclosed children's play area. Access from road is not well indicated and parking is tricky.</p>	7	10	10	8

Small village park with childrens play area, many toys are well maintained and new, notice board, basketball hoop and football pitch.	7	9	10	7
Small village park with small parking/buggy park at entrance children's play area, football pitch, benches and basketball hoop. Looks like some mounds left possibly for wildlife.	7	10	10	9
Village park with lots benches, football pitch, table tennis, skate park, basketball hoop, children's play area including zip slide, plus disabled swing, plus outdoor gym. Sports pavilion and sealed path in some areas,	6	6	10	8
Amenity grassland with play area, MUGA and some outdoor gym apparatus; lots of dog bins and rubbish bins; equipment looks pretty well maintained and not rusting; fresh wood chip in play area	6	8	9	8
Small amenity site with playground; a bit bare in terms of biodiversity and benches; wood chip in playground looks fresh; paint on apparatus looks pretty good; no obvious litter	5	7	6	7

Football pitch, sports club and play area; a bit bare; surrounding woodland would increase biodiversity but this isn't part of the site; everything generally good condition but benches could do with a repaint	7	8	7	8
Amenity grassland with children's play space and basketball hoop/small circular court; playground apparatus in good condition, but paving to the area looks very old and worn; benches look new but are on the grotty paving so you don't immediately appreciate this	4	7	6	8
Large park with skate park, MUGA, play area, outdoor gym equipment, marshy wetland-like area, river with bridge crossings, tall broadleaf and deciduous trees, wide paths, many benches, welcomes sign, shrub plantings; area holding facilities is run down and graffitied but the play area and surrounding grassy areas look aesthetically pleasing and inviting, especially with the wide river; knitted objects attached to MUGA fencing give a community feel	7	6	7	7
Park with public cricket pitch and a MUGA; an informative sign but the place doesn't look welcoming from the road; nice tree plantings	6	7	7	8

Park and football pitch, bowling iconic site by River Nadder.	5	8	9	
Wide variety of activities, various age children, childrens garden, skate park, open Green space, orchard, open swimming pool at the nadder centre	7	7	9	6
Park with intersecting river; lots of benches in good condition and bins present (slightly graffitied and look a bit old); high biodiversity; smooth paths with good access	6	8	7	8
Small green amenity area within shopping centre with intersecting rivers, play area, formal and shrub plantings, trees, many bins, benches; wide and smooth paths and no visible litter	6	9	7	7
Grassy area with children's play space and small basketball court; play area has nice forest green coloured apparatus but this looks rusty and paint is chipping in places; signage outside play area encouraging litter picking using bags that are supposedly provided, however there are no bags within bag holder; there is welcome signage but this needs replacing; basketball court also requires maintenance; benches and lots of bins; accessible from most entrances but paths pretty narrow; lacking in biodiversity	6	7	6	7

<p>Park adjacent to school with colourful well-maintained play area, old-looking MUGA, two football net posts, bordering river with swans; lots of rubbish bins but no dog bin; also little litter; access to river not the best for wheelchairs/prams</p>	7	7	6	7
<p>MUGA and surrounding grassy area with tree/hedge perimeter and individual tree plantings; wildflower area with signage but wildflowers not visible (potentially just because it's winter but not sure); concrete in MUGA is in good condition (uncracked and flat); dead leaves around MUGA perimeter and wood looks old with moss growing on it, but otherwise overall area is in good condition and is in a peaceful setting; informative signage but no welcome signage; 1 bench, 1 dog bin and 1 rubbish bin; good access but only from one entrance, other entrance is not very obvious and muddy</p>	5	6	8	8
<p>Open grassy area with one football net, some hanging bars and half a MUGA; soft landscaping is in good condition with no obvious litter; multiple bins and benches provided; tall trees lining the perimeter; welcome sign looks new</p>	7	8	7	9
<p>Small park in residential area with small children's play enclosed, football pitch and basket ball hoop. Sealed path around the site and some benches.</p>	7	9	10	8

<p>Recreation ground containing informal football goals and a small child's play area. Site is accessible via a footpath from the west but no signage indicating the site is there so could easily be missed. Play area is unfenced and equipment is mixed in age but still in good condition. Site seems well managed and in good conditions.</p>	4	7	8	8
<p>Amenity area with locked tennis courts and single basketball hoop with hardstanding. Adjacent to village hall with good parking and access. Signage limited to village hall, none for the space. No play other than basketball.</p>	6	7	8	8
<p>Large grassy area on steep slope with skate ramp and fun medieval-themed play area at the bottom and another children's play area at top; not very accessible as there are no concrete paths to any of these play spaces; one welcome sign but play areas could do with more welcoming and vibrant welcome signs; some graffiti; very low biodiversity; dog and rubbish bins present</p>	4	6	8	6
<p>Park with lots of facilities that are generally in good shape: tennis courts, play area, football pitch, MUGA (could use a touch up of paint), cafe; lots of bins, benches; nice tree/shrub/formal plantings; welcome signs</p>	7	9	8	8

Park with bowling green, fenced and unfenced play areas, tennis courts, river; fenced play area mostly in good condition but some rusting paint; unfenced play area needs some maintenance (e.g. repainting); bowling green and tennis courts maintained well (and locked); lots of rubbish bins and benches; dog bin present	3	7	7	7
Amenity with 2 play areas; play equipment in fairly good shape but could do with repaint and area is v close to bush road; no litter or dog poo but also no bins; wide and mostly smooth paths ; lots of benches; leaf blowers working in playgrounds	6	6	6	7
Village sports centre and park by national trust. Has pavilion, childrens play area, basketball court and football/cricket pitch.	7	10	10	5
Large grassy amenity with children's play area and and MUGA; very low biodiversity; lack of signage; paths are just grass/mud; some litter even though bins available	3	5	6	7
Football pitch, run-down graffitied singular skate ramp, basketball hoop (also looks old and worn), children's play area (in pretty good condition but paint chipping off); lots of bins but still litter present; benches mainly within play area; nice welcome sign to field area	7	6	7	7

<p>Small amenity grass area between houses, joined to adjacent countryside by very narrow and muddy path and small gap in fence; some litter present and no bin; no benches</p>	5	4	6	7
<p>Small park and childrens play area with field benches etc.</p>	6	7	9	8
<p>Play area with surrounding grass and neat, tall hedgerow/trees; grass looks healthy and is neatly mown; areas where daffodils will grow by the roadside; play area looks very run-down with old graffitied bench, cracked path (which doesn't run to the road or pavement), graffitied bin; however play equipment in fairly good condition (except where the ropes are growing moss)</p>	4	5	7	7
<p>Lovely wide open space with bee trails, play area and other quirks; great views across countryside; high biodiversity; kids play space, MUGA, benches, picnic tables, bins; wide accessible paths around play area; big welcome sign; tree plantings (very young) but otherwise not much filling the landscape; play area is appealing with grassy floors and well maintained apparatus</p>	6	8	7	7

Wide open patch of mown grass with a tree périmeter; play area non-existent and just a patch of soil (being replaced?); old benches and some bins; cafe seems to be in use but not very welcoming; occcasional litter	6	6	6	8
A grassy slope; paths generally pretty narrow, can't see any bins or benches; some litter	5	4	6	7
Appeared to be school playing field, used by other sports groups cricket etc. bowls .	5	9	10	8
Not much to the site - patch of mown grass on elevated ground with trees around most of perimeter and thicker woodland area; no bins or benches	7	7	7	7
Small park, with field and goal posts and an under 11's play area fenced off.	5	9	9	7
Green space alongside a woodland. Managed for walking. Benches available, a lot of effort for biodiversity grasslands of different management, different ages of trees.	6	7	9	7

<p>Very small play area for very small children; overlooking wildflower/grassy area and the countryside (in this sense biodiversity is fairly high); paintwork not chipped and general condition of play apparatus is very good; pebble pathway is wide but has weeds/grass growing throughout; wildflower plantings lining pathway could be better managed (but hard to advise due to it being winter); 1 bin present; nice signage describing wild birds</p>	5	7	7	8
<p>Large park, football pitch, skate park and field</p>	7	6	8	7
<p>Main site for the area. Lots of facilities including multiple play areas, basketball and a skatepark. Good access, signage and parking. Access to the play areas unsurfaced, could limit access to play during winter months. Some evidence of littering in the car park.</p>	9	6	9	8

<p>Play area, football posts, basketball hoop and other apparatus; benches, bins, wide paths, nicely mown grass; Play area made with wood not metal nicely complements tall trees on outskirts; play apparatus also well maintained and look fun to play on; Wide gritty paths that matched the woody aesthetic; Wasn't overly obvious that there was a nice play park there; some litter on outskirts</p>	5	6	7	8
<p>No big welcome signs but directional signs present and the whole aesthetic of the place is welcoming; play equipment made mainly from wood but with splashes of colour and this site modelled using some archaeological history; rolling hills and shrub plantings; short and neat hedgerows allowing sectioning off of some areas; bins present</p>	7	7	8	8
<p>Site not currently in use but within nice new housing area and play equipment still looks in good condition; surrounding play area fencing has no paint chipping off; benches and a bin present; lots of potential for formal planting around play area perimeter; smaller grassy section (northern corner) adjacent to fenced off play area and this looks well kept and in-use</p>	8	8	8	9

Good sized recreation ground with sports pitches, play area, MUGA and skate ramps. Pavilions were present but worn and in need of refurbishment. Equipment was modern and in good condition. Good signage at the entrance and good access via carpark. Notice boards present but limited information.	8	8	8	9
Small recreation ground with a play area and informal football. Site has good access and decent signage at the entrance. Equipment in good condition.	7	8	7	7
Park enclosed with provisions for older and younger children.	6	7	9	7
Recreation ground with multiple play areas and informal football goals. Some play equipment looks worn and in need of replacing, path is overgrown with moss and grass and need cleaning to allow access. Signage present but it's worn and damaged in places.	6	8	8	5
Recreation ground with cricket green, tennis courts, outdoor gym equipment, basketball, skate ramps and play child. No welcoming signage and no signage beyond dog waste deterrents. Site generally well managed. Play is somewhat worn and basketball is redundant.	5	8	8	7

<p>Small recreation ground with football goals and play area. No welcoming signage present. Access limited to entrance at north of site with some parking available at south. Football goals look worn and could be refurbished. Ground is torn up and bare earth in places.</p>	5	8	8	7
<p>Small park with fenced small children spark, football pitch and basketball plus field. Photos not yet saved.</p>	7	7	9	9
<p>Village park with lots of well maintained amenities for all age ranges. Access is easy and benches are good.</p>	7	9	9	8
<p>Sports ground with modern play space adjacent to car park. Grounds are in good condition, containing facilities for football, rugby and cricket. Pavilion also present. Unclear whether site is fully publicly accessible due to lack of signage at entrances or welcoming signage.</p>	5	8	7	8

<p>Recreational ground containing play areas, basketball and football goals. The play area is in a poor state, with unsuitable surfacing and very dated equipment with limited play value. The surface of the landscaping is damaged in places and there is evidence of littering throughout. No welcoming signage the entrance either.</p>	7	5	8	8
<p>Large park with play spaces and informal football. Site was in generally good condition, with hard paths connecting the site. The grass was managed short with scattered trees throughout. Only signage noted was at eastern entrance and on play. Some littering at benches near play.</p>	7	4	7	7
<p>Recreation ground with play area, MUGA, outdoor gym, skate park and Amesbury football club. Good signage at entrance and ample parking. Equipment across all play and outdoor gym in good condition. Good signage at facilities. Grassland cut short but good biodiversity at perimeter. Football posts look tired and worn.</p>	7	7	8	7
<p>Large amenity space connected by a network of footpaths, containing a Child's play space. Space was small but in good condition with good signage. The site was well managed with the grassland and paths in good condition. No bins noted at the site entrance or access signage. Some littering and dog fouling noted.</p>	7	5	4	7

Recreation ground which is privately managed. Contains a modern play space and a kickwall. Space was generally well managed with decent signage at the play area and at the entrance. Grassy surface is uneven and damaged in places, limiting its recreational value.	7	8	8	7
Recreation ground with tennis courts, play area, football and Basketball court. Site was well managed with bins and benches throughout. Hard surfacing footpath connected car park to play and youth facilities. No signage at the site entrance	7	8	7	8
Large amenity space part of woodhenge heritage site. Mix of woodland, mown and rank grassland with picnic area. Good signage on site and bins present at parking area.	7	7	8	7
Village park, with welcoming sign, children's u14's only play equipment, cricket green and sports field. No litter or dog fouling, kept clean.	7	9	9	8

<p>Large amenity space, small childrens park , walk, football goals, with trees and wildflower meadow,</p>	6	8	6	6
<p>Small park in residential area, with small childrens play area, disabled swing, gym and zip slide.</p>	7	8	8	6
<p>Large recreation ground with play area, basketball, skate ramps, MUGA, tennis and closed off play section. Site is well managed with good quality equipment throughout. A zip line present to the east of the site was closed off at the time of survey. Some evidence of dog fouling noted on site and the signage at the entrances was very worn.</p>	5	8	5	8

<p>Large recreation ground with excellent welcoming signage and access. Space included football and cricket greens, a play area, a bmx track and disused allotments. Space was generally well managed except for the allotments which were disused. No signage on play child.</p>	9	8	8	8
<p>Large multi amenity park with cafe, toilets, community centre, play areas for children of all ages and some for people with disabilities, outdoor gym, tennis court, bandstand, skate park, boating lake , mini golf course, splash pad. Paths are good and site has Green space for walking and signs of management for wildlife. Active river rewinding, trees, info on bats</p>	9	9	9	9
<p>Small park aimed at younger children some toys suitable for disabled.</p>	4	4	9	5

<p>Large park with large open space and small child's enclosed play park. There are benches and bins throughout the site.</p>	6	9	8	6
<p>Woodland open space on copheap hill. There is a ornamental gate on main entrance with bins and sealed path, other paths go around the site. A less well defined path goes up the hill. The site is strongly managed for wildlife, with wood brash piles, standing dead wood, bird and bat boxes are frequent.</p>	6	9	6	6
<p>Village park with community building, two tennis courts, toys and facilities for all ages children, picnic benches, facilities usable by disabled,</p>	7	9	9	8
<p>Park in garrison, nice basketball facility and outdoor gym. Biodiversity was good wildflower meadow and wooded area looks to be managed for wildlife. Good access.</p>	5	4	9	5

Recreation ground with football pitches, play area, MUGA and pavilion. Good access and excellent welcoming signage. Equipment accessible and in good condition.	10	8	8	8
Small amenity site with trees planted at the perimeter. Grassland is cut short and could be used as a recreation space. Don't think play was ever present as fairly new site. Some litter across the site.	6	4	7	7
Small recreation ground with informal football, play area, basketball and table tennis. Some signage at entrance but no real welcoming signage. Field damaged in places, evidence of attempted reseeding. Redundant basketball with no hardstanding.	5	7	8	8
Village park by village hall with football pitches, childrens fenced off play area, outdoor gym and table tennis table. Paths in process of being enhanced with gravel, recent tree planting on site.	8	10	10	8
Large park space with no recreational facilities accessible to the public beyond walking trails. Good hardstanding paths present with lots of biodiversity value. Site is well managed.	7	8	8	8
Amenity space adjacent to leisure centre including play spaces and tennis courts. Paths throughout space look tired and worn, in need of management and cleaning. Tennis court had marking but no nets or goals. No signage except for leisure centre entrance signage.	6	7	8	7

<p>Recreational amenity with multiple play areas. Site wraps around adjacent housing and comprises predominantly amenity space. Opportunities for tree planting for biodiversity. Play equipment is modern in the south, but northern space is somewhat worn and could do with refurbishment. Littering throughout the site, felt somewhat unsafe.</p>	7	4	7	5
<p>Area of amenity with small play area as part of adjacent housing area. Play area only accessible from within housing area. Space looked worn, some equipment was damaged and unusable. Very limited play value. Amenity in good condition and well managed.</p>	7	8	7	8
<p>Amenity green space with small play area and picnic area. Dog fouling noted within the space and no dog bins present. Some play equipment dated and swings missing so play unusable.</p>	7	7	4	8
<p>Amenity space with three play areas. Amenity area was left largely unmanaged, with rank grassland throughout. The play areas were very modern and offered good play value for a range of ages. Some littering was noted throughout. No signage was noted at the play areas.</p>	7	5	8	7

<p>Village park with ship themed small child's play, an assault course, football and sports pitch plus area of woodland. Replanting of hedgerows along boundary. Lots of signs for dog fouling and litter bins.</p>	9	8	8	8
<p>Small park and amenity space within new residential area. Small children's park, access paths and green spaces for stirring.</p>	5	8	5	6
<p>Sports centre field, used for cricket and athletics. Tennis and basketball court. No provisions for smaller children, which would be an asset, or outdoor gym. Bins provided but small amount of littering. No welcome sign on car park gate quite muddy by bins.</p>	5	8	9	7
<p>Small Green space on edge of new (still being built) estate. Very new, looks like sub depression and new path.</p>	5	9	9	5

<p>Small park in residential area. With sealed paths, tree lined paths. There are several benches and seating, plus a small children play area that is enclosed.</p>	7	6	8	7
<p>Good sized recreation ground with large play area, outdoor gym space, skate ramps and informal football. Site has good access and good signage at the site entrances. The play, outdoor gym and skate ramps were all in good condition with good signage. Site is well managed but biodiversity is limited.</p>	9	7	7	8
<p>Amenity open space by Gratton camp and Westbury white horse. Car park very muddy with puddles, quite a lot of litter. Bins are provided. Grassland quite damaged by vehicles probably quad bikes in anti-social behaviour. Wildflower meadows on chalk grassland . Welcome signs for white horse.</p>	4	4	6	5

Park in residential estate, skate park and childrens park.	5	1	8	2
Medium sized park in residential area. Toys suitable for different ages children disabled swing and and outdoor gym. Good path access bins and benches. Toilet facilities available and community hall.	7	8	9	7
Car park and viewing area for white horse. Car parking, bench, info signs bin and area of scrub.	7	2	7	6
Play space with basketball within. Equipment in good condition with signage at the entrance.	7	7	9	5
Area of suds in a new development and small very new play park. Ponds not accessible to public but planted with typha and good for biodiversity. Hedgerows newly planted are ornamental.	7	6	9	7

<p>Small village park by preschool. Enclosed space with areas for older and younger children not teenagers. Disabled swing.</p>	7	7	9	8
<p>Sports field for football and cricket with a pavilion and basketball hoop. Construction work taking place at far end of pavilion. Appropriate bins</p>	5	9	9	5
<p>Small park and field, with football goals, skate park and small childrens play. Benches and bins provided. Next to pub and farm shop with good parking.</p>	9	6	9	8
<p>Diverse park with provisions for young, older children and teenagers. Including pavilion, football pitches, and very nice small childrens play area with lots of different activities.</p>	9	6	9	9
<p>Small park , village field and pavilion, football pitch, table tennis table, smaller and older childrens play area. Some hedge planting and tree planting. Good car park and easy access to play equipment.</p>	8	8	6	7

<p>Recreation ground with MUGA space, batting cages, football goals, skate ramps and childrens play. Majority of equipment in good condition. Tennis court somewhat worn. No signage noted at any of the equipment or entrance so lack of welcoming. Some littering noted.</p>	5	5	8	7
<p>Small park in erlstoke, has a football goal, basketball hoop, benches and small children's play area.</p>	5	8	8	7
<p>Recreational space with children's play areas, hard standing with basketball and kickwall and informal football. No signage present at site entrance or across the site. More biodiversity value with trees planted. Spaces are in good functional condition.</p>	5	8	8	7
<p>Village park with football pitch, pavilion, well provisioned small children's play area and disabled access swing, court/ car park.</p>	7	6	9	8

<p>Village park with village hall, football pitch, play equipment for children, basket hall hoops for teenagers, outdoor gym. Litter provision is good and there are some hard paths.</p>	6	9	10	7
<p>Sports pitch (football and cricket) with children's play park; football posts (kept at the side) in good condition, as is the workout apparatus at the edge; play area also in good condition (soft landscaping is well maintained) and is colourful and welcoming, however some of the paint is chipping; paths throughout site are very narrow and there are no welcome signs; not many bins and no dog bin; lots of benches; lack of biodiversity</p>	4	7	6	7
<p>Amenity green space with modern play area. No signage at the site entrance or at play area. Grassland damaged making it unusable for recreational sports. Access track was muddy and uneven, could mean inaccessible to strollers.</p>	5	8	8	7

<p>Small park by village hall. Enclosed 4-11 yo play park plus benches and picnic tables.</p>	7	6	10	7
<p>Country park and allotments, extensive area of grassland and woodland with walks and park benches.</p>	7	9	10	7
<p>Open grassy area with play park and MUGA; a bit boring with low biodiversity; play areas are in good condition and there is a good range of apparatus; two bins but also reasonable amount of litter around perimeter; accessibility not great as entrances are narrow and awkward to get through, and there are no concrete paths; one bench present</p>	4	5	7	6
