LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

This is an application to vary the Premises Licence to enable the external area to have the benefit of an external bar.

This bar will sell alcohol and other drinks and a time limit for the sale of alcohol of midnight is offered as a condition.

The external area is popular particularly during the Summer and customers and members of staff have to make their way through the external doors into the Premises to the bar and return.

The advantage of the external bar is that there will be no need to make this journey for the majority thus improving customer enjoyment but also making in warmer weather the area around the bar and the inside much less busy.

In this way all of the licensing objectives will be promoted.

It also gives an extra level of supervision by the member of staff or members of staff who are behind the bar.

The applicant is content to discuss this application during the consultation period.

Condition to be offered:-

The external bar will not sell alcohol after 23:00 on any day.
