Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We will implement a 'sensible drinking' policy and ensure we do not promote alcohol in an irresponsible manner, thus avoiding the likelihood of crime and disorder. There will be regular risk assessments undertaken to make sure all customers and staff are protected at all times. All guidance and regulation concerning the sale and consumption of alcohol will be clearly communicated to staff and added to the employee handbook.

b) The prevention of crime and disorder

We will display 'challenge 25' notices to remind customers that they may be asked to show photographic proof of age. A notice will be displayed stating that drug use and violent/anti-social behaviour will not be tolerated on the premises. There will be information displaying what a unit of alcohol is and how that relates to alcohol purchased and consumed on-site alongside drink driving information and the risks of over consumption. Customers who appear intoxicated will not be served and will be asked to leave. The premises will be monitored by cameras and all areas will be visible and well lit. Binge drinking will be discouraged by not offering special promotions. Through these measures we expect alcohol to be sold only to responsible customers who are sensible about drinking.

c) Public safety

We are aware of the requirement to conduct ongoing health and safety risk assessments to identify any hazards that may put the public in harm's way. We are aware of the customer pathway through the shop and will ensure we have measures in place to reduce any associated risks. Outside areas will be well fenced off and signposted so the public are unable to wander into unsafe, unlit areas. All external public access areas will be well lit with cameras. All fire exits will be clearly marked. There are smoke alarms in place linked to the main electrical circuit as well as being battery operated. These will have a documented servicing schedule. Spillages will be signposted and immediately cleared up.

d) The prevention of public nuisance

We will not be exceeding the normal trading hours of local bars and pubs. Noise will be kept to a minimum as there will be minimal background music. There are no loud extractor fans and all deliveries will take place during daytime hours. There are no immediate neighbours and so no-one to be disturbed by the activity. Staff will be made aware of the above during training and it will be in the employee handbook.

e) The protection of children from harm

Few activities will take place on the premises that would give concern to children's safety. For example, no adult entertainment or gambling. A 'challenge 25' policy will be in place and staff will be trained to challenge anyone who looks to be purchasing alcohol on behalf of anyone under 18 to consume either on or off the premises. The 'sensible drinking' approach that we plan to undertake will help to ensure that children are not exposed to incidences of violence or disorder.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships

A licence may only be held by an individual or an individual in a partnership who is resident in the UK who:

- A current Biometric Residence Permit (BRP) issued by the Home Office to the holder, subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application a current Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport, less than 10 months old, issued by the Home Office under Regulation 18(3) of the Immigration (European Economic Area) Regulations 2006, showing the right of abode in the UK for a holder who is a British citizen or a citizen of the UK and Colonies, or a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter, or proof of postage evidence, or a Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
- stay evidence of the applicant's own identity – such as a passport,
- evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
- evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 5 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank, insurance number and their name issued by a Government agency or a previous employer,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
- (iv) birth certificate or birth statements issued in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance certificate issued in the Channel Islands, the Isle of Man or Ireland when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal particulars including a British citizen, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- (ii) any page containing the holder's photograph,
- (iii) any page containing the holder's signature,
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
