# **Wiltshire Gypsies and Travellers Development Plan Document**

Sustainability Appraisal Appendix C -  
Assessment of Gypsies and Travellers  
Plan Objectives against the SA  
Framework

---

**Pre-Submission Draft (Regulation 19)  
August 2024**

## Appendix C – Assessment of Gypsies and Travellers Plan Objectives against the SA Framework

**Gypsies and Travellers Plan Objective 1:** To meet identified accommodation needs for gypsy and traveller pitches and travelling showpeople plots to 2038 through site allocations, broad locations for growth and a policy framework for assessing proposals

**Gypsies and Travellers Plan Objective 2:** To make provision for three council-managed emergency stopping places to provide temporary accommodation

**Gypsies and Travellers Plan Objective 3:** To deliver well-designed sites in keeping with their surroundings, and in appropriate and sustainable locations with access to services and facilities which respect both the interests of the settled and traveller community

**Gypsies and Travellers Plan Objective 4:** To set out the approach to meeting needs for culturally appropriate accommodation for gypsies and travellers that do not meet the planning definition

| Key to likely significance of effects: |                          |   |                |     |                         |
|--|--------------------------|---|----------------|-----|-------------------------|
| +++                                    | Major positive effect    | 0 | Neutral effect | --- | Major adverse effect    |
| ++                                     | Moderate positive effect |   |                | --  | Moderate adverse effect |
| +                                      | Minor positive effect    |   |                | -   | Minor adverse effect    |
