

Post-16 transport application form

Are you attending Sixth Form or College?

Are you starting at sixth form or college in September 2018 or are you already in full time further education and continuing your course for another year?

Do you need help with transport?

Apply **now** for a travel pass from Wiltshire Council – £710 a year or £210 if your gross household income is less than £20,819 for the year 2017/18.

Even if you are unsure where you are going to study, please apply for transport now.

If you are not sure where you will be studying in September 2018, it is to your advantage to submit a transport application by **30 June** for the course which you are most likely to study. If your plans change, contact us immediately and we can transfer your details over to your new location and issue a pass if you are entitled. If a pass is no longer required, you will get a full refund of any money paid if we are informed before 1 September 2018. If you apply after the 30 June your pass may not reach you before the start of term.

Note: If you do not qualify for the lower rate pass you may find that purchasing a pass direct from the bus company is more beneficial, as these can be more cost effective and flexible than the standard rate pass offered by the council.

What is this form for?

This form enables you to apply for a reduced-rate pass to travel from home to school or college if you are a Wiltshire resident. Transport will be provided on any day when the school / college is open for normal lectures but Wiltshire Council reserves the right to select the most appropriate/economical mode of transport.

We need the information requested on this form so that we can assess your application to see if you are eligible for a **Post-16 travel pass**. We will write back to let you know if we can help you under this scheme and to give further details about your application, and how to make payment.

Do not complete this form if you are:

- (a) living within the boundary of Swindon Borough
- (b) going into lodgings
- (c) studying part time
- (d) on block release
- (e) on a Government Training Scheme
- (f) sponsored by your employer
- (g) aged 19 or more at the start of term in the first year of your course
- (h) requiring door-to-door transport for Special Needs, there is a different form for this, please call 01225 757943
- (i) studying for a higher award, NVQ4/HND.

How do I qualify?

You can apply for this offer of reduced rate travel if you are aged at least 16 but less than 19 on the first day of the first year of your course of study, and you live three miles or more from, and attend, your designated school or college.

Please refer to the Post-16 Transport Policy on page 4 if you want to go to a non-designated sixth form/college.

Is the council's transport scheme the most cost effective option for all sixth form and college travel?

Not in all cases. As the standard charge increased significantly last year, a number of bus companies are now offering season tickets at comparable or cheaper rates. Please contact your local bus company for more details of what they may have to offer. If you are unsure as to which bus company to contact, call Passenger Transport on (01225) 713365.

How much will it cost me?

The Wiltshire Council travel pass is available at a cost of £710 a year. It may be possible to pay this over seven months (1 x £110 and 6 x £100) providing you apply before **30 June 2018**. Payment can be made in full by cheque or debit/credit card.

Lower rate pass

If your Tax Credit Award Notice (TCAN) for 2018/19 states your gross income was less than **£20,819** for 2017/18 you can apply for a lower rate pass at a cost of £210. It may be possible to pay this over seven months (7 x £30) providing you apply before 30 June 2018. Payments need to be completed by February 2019.

Where is my designated sixth form or college?

All parish areas in Wiltshire are allocated a designated sixth form and college. For further details of the designated area for your address, please email educationtransport@wiltshire.gov.uk with details of your home address, including postcode.

How will I get my pass?

Assuming you apply for transport by 30 June 2018, submit all the evidence requested and make payment in time, a travel pass will be sent to your home address before your first day at sixth form or college (not including induction days). Occasionally it may be necessary to sign for the pass as some are sent by recorded delivery.

What happens if I don't start my course?

Telephone the Passenger Transport Unit on or before the first day of term to cancel your request. Any money that you have already paid towards your bus pass will be refunded on receipt of a returned pass, in the event this has been delivered.

What if I no longer need my pass?

Return your pass to us with a note stating that it is no longer required. Passenger Transport will calculate any refund due based on the date of receipt in the office. Note that no refund will be made without the pass being returned and no refunds will be made for passes returned and received after April 2019. For more details about the council's refund arrangements for post -16 transport or to find out how much you might receive, email educationtransport@wiltshire.gov.uk

What if I apply after 30 June 2018?

If you apply after 30 June 2018, you may not be able to spread your payments over seven months.

Passenger Transport will endeavour to process your application and issue a pass for the beginning of term; however this may not always be possible. Allow three weeks for your application to be processed.

Do I need to send in a photograph?

If you live in Royal Wootton Bassett, Purton, Cricklade or Lydiard Millicent area and studying at an establishment in Swindon, enclose a passport photograph with your name written clearly on the back.

Students travelling by train will need to add a passport size photo to the rail pass wallet when it is received in the post.

For all other locations, a photograph is not required.

Post-16 transport policy

- You can receive a subsidised travel pass under this scheme if you live at least three miles from, and attend, your designated school/college.
- If you want to study A-levels at a school/college other than your designated one, you will not normally be entitled to assistance with transport under this scheme. However, if you can provide evidence (such as photocopies of prospectus pages) that a particular A-level subject is **generally necessary** for entry to a specific course at the majority of higher education establishments **and** is required for your intended career, then your transport application will be considered further.
- If applying for transport to a non-designated location, **end in as much supporting evidence as early as possible with your application** to avoid delays in assessment. Supporting evidence should include:
 - i) why it is necessary (as generally stated in H.E. Level prospectuses or the UCAS Guide) for you to study this particular course; **and**
 - ii) evidence that the course (or one broadly similar) is not available at any nearer establishment.
 - iii) evidence that this is necessary for your chosen career
 - iv) If you want to study a skill-based course (e.g. plumbing, carpentry and joinery) at a non-designated college, please send in letters from at least three prospective employers confirming that they would not employ you without this qualification so that we can consider your application further.
- If you want to study a course at a non-designated school/college where the optional modules are different to those on a 'broadly similar' course offered at the designated school/college, you are very unlikely to get help with travel under this scheme. Assistance may be available from the school/college please enquire direct with Student Services
- You can also qualify for this transport scheme if you want to attend a preferred school (i.e. not the one designated for your address), when the cost of that journey (for Wiltshire Council) is not more than the cost of the journey to your designated college. The three mile qualifying distance still applies. Please ring us for further details of this.
