#### Oversubscription Criteria

Priority 1. A child in the care of a LA or provided with accommodation by that authority as defined by Section 22 of the Children Act 1989

Previously looked after children (see definition below) have the same admission priority as 'looked after children' (also known as children in care), in accordance with section 22 of the Children Act 1989.

'Previously looked after' children are defined as those who immediately after being in care became subject to an adoption order, child arrangements order or special guardianship order.

Required evidence for a 'previously looked after' child

- a special guardianship order appointing one or more individuals to be a child's special guardian(s), under section 14A of the Children Act 1989
- a child arrangement order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.
- An adoption order under section 46 of the Adoption and Children act 2002 or Section 12 of the 1976 Adoption Act.

Priority 2. Any child who has a sibling attending the same TWHF school at the time he or she is due to be admitted, this does not apply to admission to Melksham Oak or Devizes Secondary School. A child who attends a TWHF Primary School does not have an automatic entitlement to attend Melksham Oak or Devizes Secondary School.

Priority 3. Any child of a staff member employed by TWHF for at least 2 years can apply for a TWHF school that is within the area of the child's home address. Or a staff member who will meet a clear national skills shortage, for example Maths teacher (please complete Appendix 1 – Supplementary Information)

Priority 4. Any child living within the school's catchment area (details available from the School and LA);

Priority 5. Any child not living in the school's catchment area.
