Oversubscription Criteria

a) Looked After Children / Previously Looked After Children who achieve the cut off score. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being

provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22 (1) of the Children Act 1989).

b) Girls attracting the Pupil Premium and / or Service Premium who achieve the cut off score. Girls who attract the Pupil Premium and/or the Service Premium. Evidence will be sought by SWGS directly with the local authority or the child’s current school. Parents will be asked to give their consent via the Test Registration Form in order to enable SWGS to complete this checking procedure.

c) Girls who achieve the cut off score who live in the School’s catchment area. The address is the place where the girl is permanently resident with her parent or parents or legal guardians. Further clarifications/requirements for this criterion are as follows:

(i) In this context, “permanently resident” is defined as the girl’s only or main residence and is either owned or leased/rented by the girl’s parent(s)/guardian(s). Documentary evidence of residence not more than 6 months old may be required (e.g. the child’s NHS medical card and the parent’s/guardian’s recent utilities bill, bank statement or tenancy agreement, an Armed Forces Assignment Order or a solicitor’s letter confirming the exchange of contracts on a property). If leased/rented by the girl’s parent(s)/guardian(s), then the lease/rental agreement must be for a term of at least 12 months without a break clause. The property owned or leased/rented is to be that in which the girl and her family live.

(ii) Where a girl lives with parents with shared responsibility each part of the week, the “home address” will be considered to be the address with which the girl is registered with her GP (documentary evidence not more than 6 months old may be required) or the “home address” will be considered to be the address of the person whose name is on the child benefit statement (proof of this may be required).

d) Girls who achieve the cut off score by rank order of standardised score who live outside the catchment area and have a sister (this refers to a sister, half-sister, adopted sister, foster sister or the daughter of the parent / carer’s partner, who in every case, is living in the same family unit at the same address) attending the school and living at the same residence on the date of admission of the child.
