

# Club1 Gym Programme

Due to the current circumstances, you are not able to attend the gym as part of the StreetGames Club1 referral programme. However, we can provide some exercises for you to do at home!

This is a great opportunity to keep active, using the exercises below so that you are ready to continue your gym membership once the leisure centres re-open. Please click on the links below to see Seb, one of our Fitness Consultants at Five Rivers Health and Wellbeing Centre, demonstrate a range of exercises and progressions. Try a few individual exercises or take on the full class, but make sure you take it easy and build up slowly.

### **General exercises for the home**

We are lucky to have a large resource of online and TV content nationally we can access in our homes to stay active. Our favourite suggestions are below:

- Sport England Join the Movement Campaign: Sport England have a dedicated page of activities suitable for all ages. Activities can be performed at home or outside whilst adhering to the Governments safe social distancing guidelines [https://www.sportengland.org/stayinworkout/#join\\_the\\_movement](https://www.sportengland.org/stayinworkout/#join_the_movement)
- Joe Wicks goes live at 9 am every weekday morning for fun, energetic, at home P.E lessons. You can watch live or on catch up here <https://www.youtube.com/user/thebodycoach1/videos>  
Try and get everyone in your house involved - these workouts are not just for kids!
