APPLICATION FOR REGISTERING NEW PROPERTY / PROPERTIES ON AN EXISTING STREET(S)

STEP 1

Complete the application form, and submit to the Council with the following documents (in electronic format if possible):

- **Correct fee** – cheques should be made payable to Wiltshire Council, or, alternatively, payment can be made over the phone by calling the numbers overleaf
- **Site location plan**
- **Site layout plan** (*showing plot numbers (if applicable), access details and house types*)
- **Floor plans of any flats/apartments** (*showing plot numbers (if applicable) and access details for each*)

STEP 2

The Address Information Team will, on receipt of the application:

- Check that the appropriate permissions are in place.
- Check the numbering sequence on the existing street
- Allocate new postal address(es) as appropriate.
- If house name(s) are suggested, check to ensure the proposed name(s) are not already in use in the local area.

Once agreement has been reached on the new postal address(es) the Address Information Team will:

- Request postcodes from Royal Mail.
- Update our address database.
- Notify all relevant parties
- Send a Certificate of Postal Address to the applicant (via email if provided).

NOTES

- *The allocation of a property name is permitted where a numbering scheme is in place. This is under the condition the name would be **in addition to** the existing property number and **not a replacement for**. The property number should always be displayed on the property and quoted as part of the address in all correspondence. It is advisable, when considering a name for a property, to contact the Address Information Team to determine whether the proposed name is already in use in the local area, as duplicating an existing property name may lead to confusion to service delivery agents.*

PLEASE NOTE: Royal Mail will only hold a name for a property where there is no numbering scheme in place. If a property is named and numbered, the name of the property will be held on their "Alias" database. For clarification, please contact the Address Information Team.

- *If amendments are received to an application once the Street Naming & Numbering process has commenced, the Address Information Team will request a resubmission of the full scheme and this will incur a new full application cost.*
