

Town and Parish Council Elections Update

Elections will be taking place on Thursday 6 May for Police and Crime Commissioner (PCC), Wiltshire Council Unitary, Towns and Parish Council and some parish areas will have neighbourhood planning referendums (NPRs).

Please refer to our website: <https://www.wiltshire.gov.uk/Elections-2021>

<https://www.wiltshire.gov.uk/elections-town-parish>

for election information. Statutory notices will be published on this page for town/parish clerks to download and display in your local parish areas.

As with all the election processes, we will be following the current Government advice regarding the Covid-19 pandemic in order to keep our staff and the public safe. It is important that any person who will be involved with the election process also follows this advice and adheres to the requirements set out for each of the election processes. This will include the wearing of face masks, hand sanitising and maintain social distancing.

Candidate nomination information

We will publish the Notice of Election on 11 March 2021. Please can you ensure you print this and publish in your local parish areas.

Nominations papers are already on our website for downloading and printing. However, nominations can only be delivered and accepted from 12 March – 8 April between 10am and 4pm at the location specified on the Notice of Election.

We would strongly suggest that all candidates read the Electoral Commission guidance on standing for the election and what is required to ensure the nomination forms are completed correctly.

Candidates will need their nomination paper subscribed and will require poll numbers to complete their form. Please encourage them to phone electoral services on 0300 456 0112 to obtain this information where they will also be required to provide the name and address of the person subscribing the form.

As a town/parish clerk you may provide the candidate with poll numbers for the subscribers only if they provide you with the name and address of the subscriber, however it is preferable if they can contact electoral services to ensure the correct register is being used. You **MUST NOT** provide a copy of your register to any candidate if asked. They can only request a register from electoral services.

The 1st March electoral register is the register that must be used for nomination subscribers (people who will sign and support the candidate to stand). If you have requested monthly updates to the electoral register, then you will receive the monthly update on 1 March. If you have not requested monthly register updates and would like them then please email registerrequests@wiltshire.gov.uk.

In order to keep candidates and agents safe we have allocated specific town and parish areas to one of three locations for the delivery of nomination papers. Details of this are available on our website.

We have set up an online appointment system and would encourage everyone to use this. They will need to register to the system however, if they have used the household recycling centre booking system, they can use the same account for nomination bookings.

If one person is bringing in multiple nominations, then this should be entered on the online booking form. Please note that we will ONLY accept nomination forms for the areas designated for that nomination reception.

Statement of Persons Nominated

We are not permitted to disclose who is standing in a parish or how many nominations have been submitted until after the deadline for receipt of nominations (4pm on 8 April). This information will be on the Statement of Persons Nominated notice which will be published on our website by 4pm on 9 April. You will then be able to print and display in your parish areas.

After close of nominations

If the number of valid nominations is less than or equal to number of vacant seats and the Council is quorate, the candidates are duly elected, and no poll is required. The new Council can then fill the vacant seats by co-option.

If there are no valid nominations or not enough to make the Council quorate, a re-run of election required for the remaining seats. The candidates that submitted valid nominations will be still be duly elected without contest.

For a Council to be QUORATE there must be a minimum of valid candidates' nominations for one third of the council seats but not less than 3 seats overall.

Election expenses must still be completed and returned by candidates even if there is no poll or any expenses incurred.

If there is not a poll, an Uncontested Results notice will be published on our website a few days after the Statement of Persons which you will be able to download and display in your parish area.

Notice of Poll

If the number of valid nominations exceed number of vacant seats a poll will take place on 6 May. A Notice of Poll will be published on our website by Tuesday 27 April for you to download and display in your parish area.

Verification and counting of votes

As there are several election types taking place on 6 May the counts will be spread over several days as follows:

	Receipt of ballot boxes and final postal vote opening	Verification of all ballot papers	Unitary Count	Parish Count	NPR Count	PCC Count
Olympiad Leisure Centre, Chippenham	Thursday 6 May	Friday 7 May	Saturday 8 May	Sunday 9 May	Sunday 9 May	
County Hall, Trowbridge	Thursday 6 May	Friday 7 May	Saturday 8 May	Sunday 9 May	Sunday 9 May	
Five Rivers Leisure Centre, Salisbury	Thursday 6 May	Friday 7 May	Saturday 8 May	Sunday 9 May	Sunday 9 May	Monday 10 May

We are working to ensure the count will be safe and social distancing maintained which involves assessing number of staff and observers permitted at each venue.

In order to keep candidates and agents safe we have allocated specific town and parish areas to one of three count venues. See appendix A

Full details and timings of the verification and counts and the permitted number of observers will be provided nearer the time once the number of contested town and parish elections are known.

Town and Parish Counts – Sunday 9 May

As parish areas are counted, the results will be declared, with the Declaration of Results for each area published on our website throughout the day. These can be downloaded and displayed in your parish area.

Polling Stations

We are currently assessing all polling stations following currently Government Covid guidelines. This may mean that some polling stations will not be suitable and electors polling stations may change. Please advise any electors that if they are not able to get to their polling station, they can apply for a postal vote by downloading the application form at <https://www.wiltshire.gov.uk/Elections-2021> or phoning 0300 456 0112 for an application form to be sent to them.

Postal vote opening sessions

Due to the Covid requirements we are finalising plans to ensure the postal vote opening sessions are safe and secure for our staff but also to ensure candidates and agents can safely observe the process.

Postal voters will receive a separate postal vote pack for each election type which will be sent out from around 20 April. We would encourage them to return separately in the envelopes that will be provided. This will help to ensure the processes we have in place for the safety of the staff that will be opening the postal votes.

Postal voting sessions will take place from around 20 April. Full details of timings and dates will be provided once the number of contested elections is known.
