Figures are compiled 20 working days from the end of the calendar month they refer to, i.e. January figures were compiled on 1 March which allowed for those requests received on 31 January to have been processed up to the 20 day time limit.

Internal review figures represent the number of internal reviews received in the calendar month; they do not relate back to the month in which the original request was received.

Further details of which exemptions/exceptions were applied can be found on the disclosure log page <http://www.wiltshire.gov.uk/data-protection-foi-log>
