

Melksham community campus newsletter

September 2021

Welcome

Welcome to the September edition of the Melksham Community Campus newsletter. The Campus is progressing well. The brickwork has now commenced and we're sure you'll agree that this is looking great.

Upcoming work

North car park works

Construction of the car park to the north of the site will commence early in September through to April 2022. During this time, pedestrian access through the site via Place Road will not be possible. Access from the Market Place remains closed for the duration of the construction period. The public footpath (Melk 20) will however remain open throughout the works.

Bund construction

The bund on the old rugby pitch is now constructed and will be seeded with grass in September.

The area will remain fenced off whilst the seeding establishes.

Melk 21, to the south of the old rugby pitch, will remain closed and fenced off whilst the utility trenching works continue. However, pedestrian access from Alder Way to A350 remains available.

Melksham community campus newsletter

Essential utility works

The drainage connection through Orchard Gardens will be connected during September. It is anticipated that this work will cause little disruption.

Melksham House redevelopment

The planning application for the proposed development of Melksham House is now available on the planning portal. The reference for this is [PL/2021/07229](#). Listed Building Consent application reference is [PL/2021/07395](#).

Notices have been displayed around the site. Neighbouring residents, businesses and organisations have also been consulted and the application will be advertised in the Wiltshire Times.

The consultation period ends on 10 September 2021.

Tennis court re-surfacing

The essential maintenance work to the surface of the new tennis courts is complete. Temporary lines markings have been installed whilst the courts cure. The final colour coating and the permanent lines will be applied at the beginning of September 2021. The courts should be available for bookings again from around mid-September.
