

## **CHERHILL NEW VILLAGE HALL COMMUNITY RIGHT TO BUILD ORDER DECISION STATEMENT (PROCEEDING TO REFERENDUM)**

### **1. INTRODUCTION**

- 1.1. Pursuant to the Wiltshire Council constitution, and in particular Part 3B, the Corporate Director for Growth, Investment and Place, within whose remit Spatial Planning falls, is authorised to make decisions on Neighbourhood Planning proposals following the examination of a Community Right to Build Order proposal, in accordance with the Town and Country Planning Act 1990 (as amended), the Neighbourhood Planning (General) Regulations 2012 (as amended), and all other relevant legislation.

### **2. BACKGROUND**

- 2.1. The designated area for the Cherhill New Village Hall Community Right to Build Order (referred to as ‘the Order’) comprises the Cherhill Ward, within the parish of Cherhill, Wiltshire. On 8<sup>th</sup> June 2016, Wiltshire Council formally approved that the Cherhill Ward Neighbourhood Area be designated for the purposes of a Community Right to Build Order, in accordance with the Neighbourhood Planning (General) Regulations 2012.
- 2.2. The Cherhill Village Hall Charitable Incorporated Organisation (CIO) is the designated ‘qualifying body’ and constitutes a community organisation for the purposes of undertaking a Community Right to Build Order. The CIO submitted the draft Order, along with supporting documents, to Wiltshire Council in May 2018 for consultation, independent examination and the remaining stages of the draft Order’s preparation in accordance with the Neighbourhood Planning (General) Regulations 2012.
- 2.3. Following submission of the draft Order, Wiltshire Council publicised the Order and supporting documents and invited representations during the consultation period 11<sup>th</sup> June 2018 to 30<sup>th</sup> July 2018.
- 2.4. In August 2018, Wiltshire Council appointed an independent examiner, Mr Nigel McGurk BSc (Hons) MCD MBA MRTPI, to examine the draft Order and consider whether it should proceed to referendum.
- 2.5. The examiner’s report was received in November 2018 and concluded that the draft Order meets the Basic Conditions, without modifications, and should proceed to a referendum. The examiner also recommended that the Cherhill Ward Neighbourhood Area is the appropriate area within which to hold a referendum.

- 2.6. In accordance with legislation<sup>1</sup>, where the examiner's report recommends that the draft Order is submitted to a referendum (with or without modifications), a referendum must be held on the making by the local authority of a community right to build order.

### 3. DECISION AND REASONS

- 3.1. Having considered the examiner's recommendations, the draft Order should proceed to a referendum. The examiner's report did not recommend any modifications be made to the draft Order. However, the Council may make modifications to the draft Order at this stage, in certain instances, such as for the purpose of correcting errors. The Council requires that some minor modifications are made to the draft Order to correct errors and improve clarity, and these are set out in Appendix 1 to this statement, together with the reasons.
- 3.2. The Council is satisfied that the draft Order, as modified, complies with the legal requirements and can proceed to referendum.
- 3.3. The examiner's report states that the referendum area should reflect the current extent of the Cherhill Ward Neighbourhood Area.
- 3.4. I declare that I have no private interest in respect of this matter that would prevent me from making this decision.
